Seeking Presentations for our 2nd Annual Fall SIG Event!

[The Utah Oracle Users Group \(UTOUG\)](http://www.utoug.org) is seeking presenters for our 2nd annual Fall SIG Fest. Last year, this event attracted over 150 Oracle professionals. UTOUG has been serving its members in Utah, Idaho, Nevada and Wyoming for over 10 years. We are a not-for-profit organization providing educational and value based services for our members.

We are currently seeking abstracts for this event. The tracks include DBA, Data Warehousing & BI, APEX, Development, Applications, Modeling, and Anything Else. The abstracts will be accepted based on technical content, quality, and strength of the topic. Sales presentations will not be accepted. Each presentation will be 1.5 hours in length. We ask our presenters to strictly follow this time frame. Presenters will be paid \$225 for each 1.5 hour presentation. Each presenter will be required to sign a Speaker Agreement upon acceptance, agreeing to the dates as outlined below.

Interested presenters need to fill out the Bio & Abstract form at <http://www.utoug.org> and submit it to moriah.mcclanahan@utoug.org. For more information contact Moriah McClanahan at moriah.mcclanahan@utoug.org.
